

Technical Sales Engineer Gas & Water Installations:

This is a field/home-based position reporting to the Managing Director at our Telford Head Office in Shropshire, for our activities across the UK.

Gas Projects: You will have a good understanding of the Gas and UIP Markets and have held a similar role in the past. This is a Technical Sales Role and you will have a good working knowledge of gas installation work, working upon the Public Highway and Private Sites. Experience of Gas Meters, Outlet Pipework and Governor Works across the various pressure tiers is not essential although would be beneficial.

Water Projects: You will have a good understanding of the Code of Practice for the Self-Laying of water mains and services laid by SLP's for adoption by Water Company's in England and Wales. Experience and knowledge of Water Company's and the self-lay procedures for contestable activities is also required.

In return a Competitive Salary and Benefits will be offered.

In the first instance please send your C.V. by e-mail to 'steve.holland@morland-utilities.co.uk'. or by post to the address below. Any questions, contact Steve Holland on 01952 – 681 – 981.
